The '74-'75 Blackcat Staff Pays Tribute to . . .

Mr. And Mrs. Gerald D. Gastineau

The Publications Class of 1974-75 is paying a special tribute to Mr. and Mrs. Gerald Gastineau. We wish to give special recognition to both for the contributions they have made to Dunklin R-5 School System. Mr. Gastineau, whose chief responsibility is to see that our schools give each child the highest quality of education, has done an excellent job in achieving this, the past eleven years that he has been Superintendent of our schools. Under his guidance our school has attained its AAA rating and has also remained a member of the North Central Association. Many improvements have been made since Mr. and Mrs. Gastineau came to Herculaneum. One outstanding accomplishment was the reorganizing of the Herculaneum and Pevely Districts into one. Many improvements have been made in our buildings, with the construction of new buildings and additions built on to others. He has improved our entire school system by adding more teachers in specialized areas. These are just a few of the accomplishments he has made in our school system over the past few years. Behind most successful men is an interested and devoted woman, so we would like to pay tribute to Mr. Gastineau's wife, Martha, who has aided Mr. Gastineau in making Dunklin R-5 the excellent school system it is today. When speaking of Mrs. Gastineau, the first thought that enters one's mind is cooperation, as she cooperates with all the students and teachers. As librarian of Herculaneum High School she spends hour after hour helping students and teachers who need assistance in the library or in any way she can help them. We feel that we are very fortunate to have both Mr. and Mrs. Gastineau in our school system and in our community. Mrs. Gastineau taught in the elementary grades before becoming a librarian. She taught at Campbell, Missouri and Kahoka, Missouri. Mr. Gastineau began his career in education as a teacher. He was also coach at Lesterville, Missouri, where he later became Superintendent. Mr. Gastineau has been Superintendent of Schools for twenty-six years. He was Superintendent at Campbell, Missouri and was Superintendent at Kahoka, Missouri one year before coming to Herculaneum. He is a member of the Herculaneum Lion's C lub, Festus-Crystal City Rotary Club. They are Past Matron and Past Patron in the Eastern Star. Mr. Gastineau is a member of the Masonic Lodge, Scottish Rites and Who's Who in the Middlewest. They are both members of many professional organizations. They are members of the Church of Christ at Festus, Missouri and are devout workers in their church..Mr. and Mrs. Gastineau have two children--Becky, who is a beautician and Richard, who is Elementary Principal at Mountain Grove, Missouri. Richard is married to the former Frances Kieffer and they have two daughters, Andrea, who is five years of age, and Danielle, two years of age. Mr. Gastineau's hobbies are sports, farming, deer hunting. Mrs. Gastineau loves to read, but her favorite past time is fishing.

ABOVE: Mr. and Mrs. Gastineau's son, Richard and wife Frances along with them are their children Andrea and Danielle.

Social Sciences

Who, what, where and when, these are some of the questions,

That if you sat in one of their classes you're sure to hear mentioned.
And when you can answer one of those questions right, you're liable to let out a little sigh,
But then they'll come right back and want to know why!

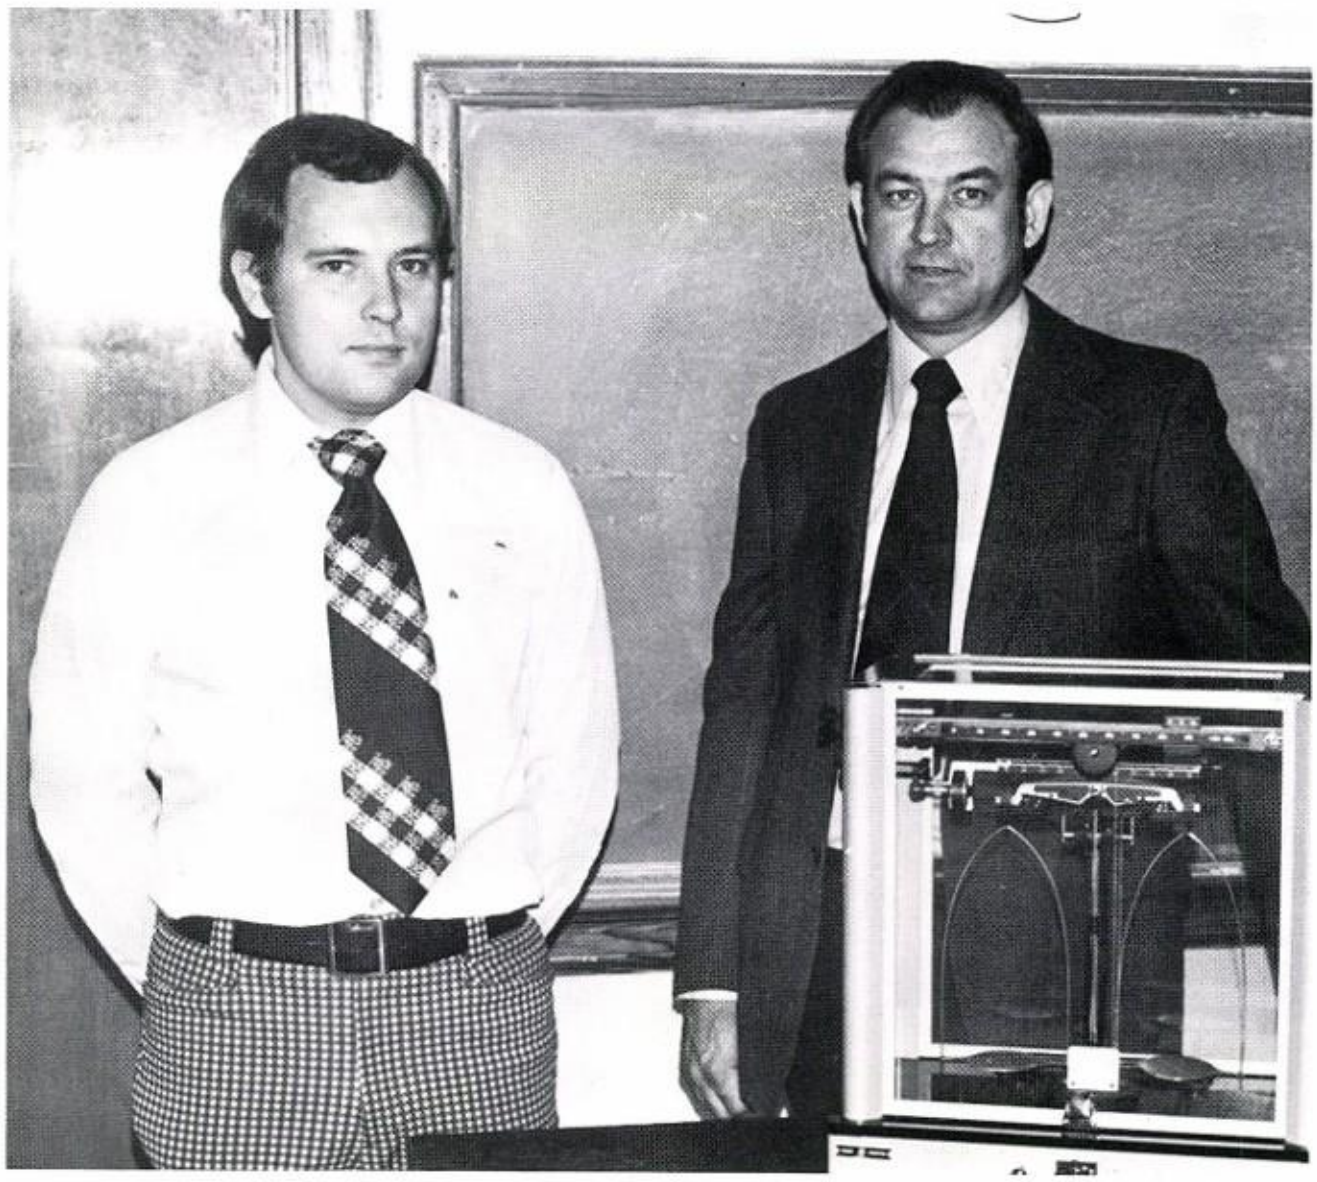
Bill Stotler, Rick Hart, Carol Franke, Mike Reed and Jack Gray.

Science

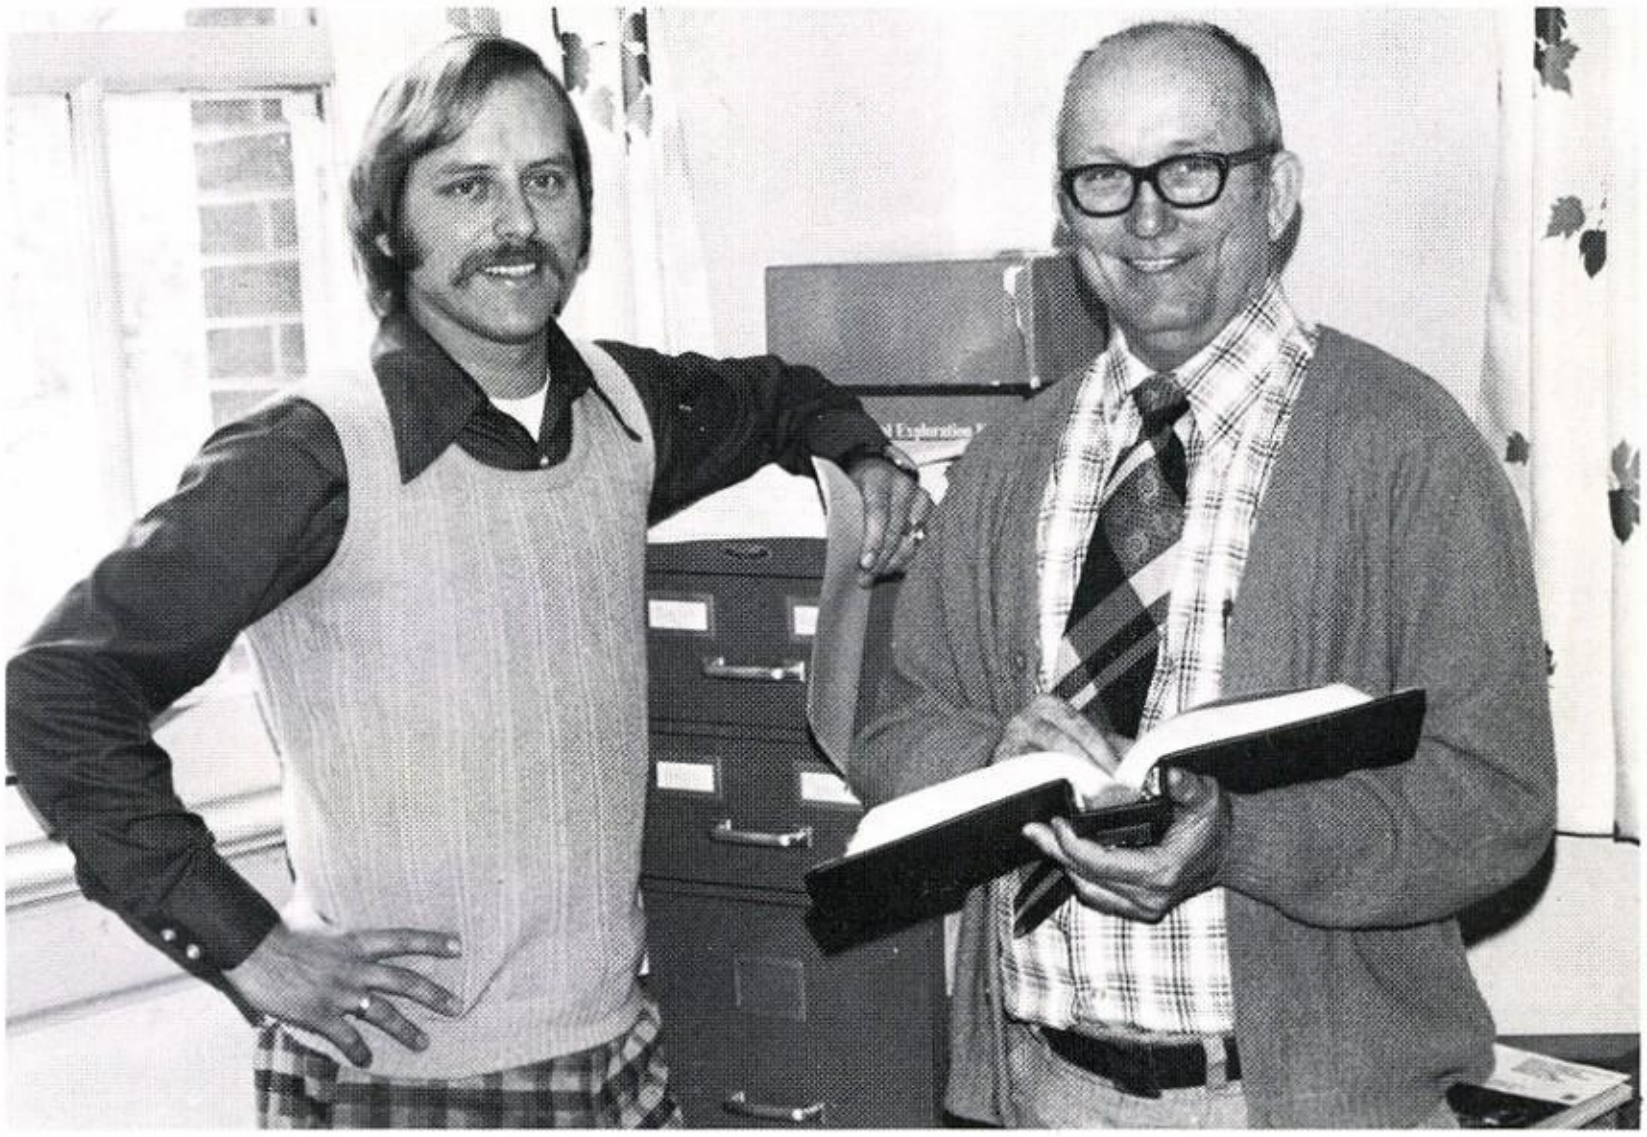
Here are our science teachers as plain as can be,

The one on the left is Larry Wegmann on the right is Charles Dees.

Now these two men can teach you many things about flowers, air and big 'ole trees,
And maybe if you're lucky, a few of the antics of the ever lovin' birds and bees!



Business Education



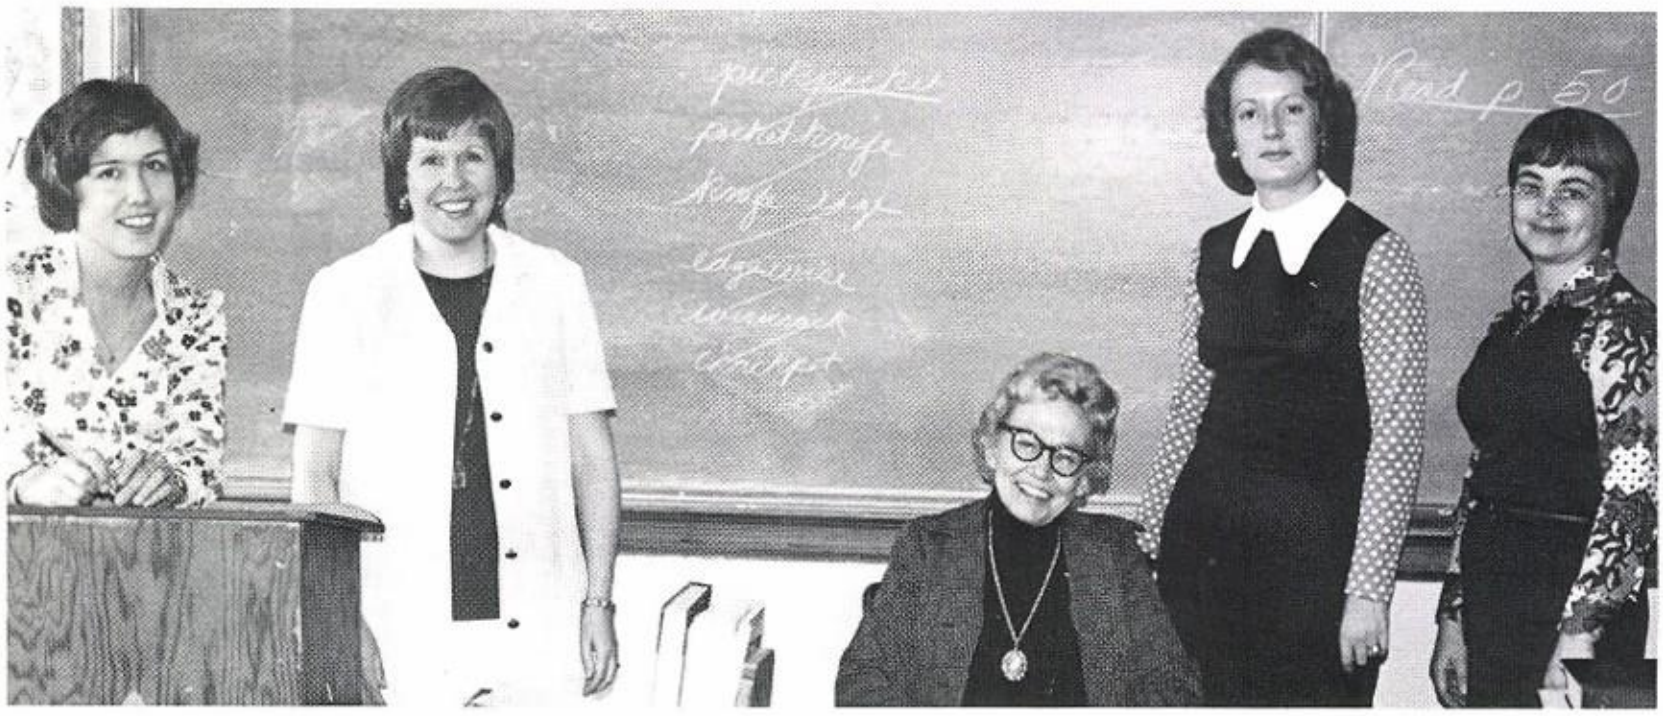
Sarah Cassidy, Kent Duniphan, and Jane Franklin.

Typing, shorthand, bookkeeping and occupations too,
Machines, data processing and a duplicator that turns your fingers blue.
You have to work hard everyday its true,
And if you don't learn one skill, we're sure you'll learn two!

Counselors

We have two counselors as you
can well see,
And they're always as helpful
as they can be.
They'll talk with you and laugh
with you and when you got a
problem,
They'll do their very best to
try to help you solve 'em!

Sam Wyman and Howard Harmon.



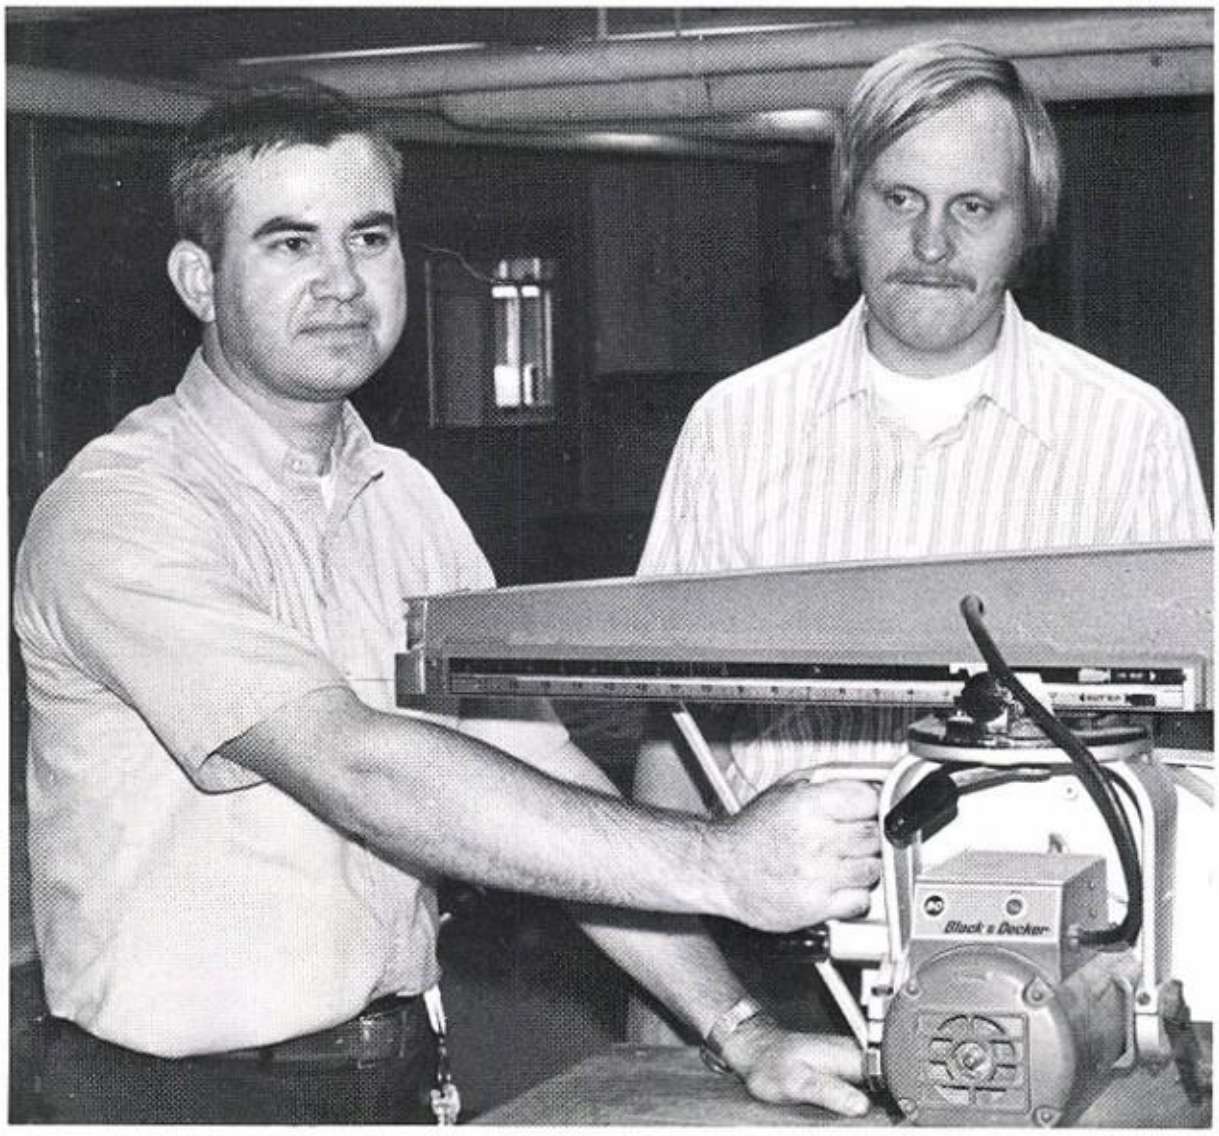
Judy Meyers, Audrey Vest, Hilda Kaufmann, Ann Casada, and Patsy Samples.

Allen Sweet

Here are our English teachers numbering five in a row.
Counting the one down on the left makes six, as you well know.
They'll teach you English through ice, wind, and snow,
one thing is for sure, your vocabulary will grow!

Shop

We now have two teachers of shop.
Their students never make flops.
They'll help you along,
They're big, husky, and strong
But they make you wipe up the floor with a mop!



Tedford Hutto and Ben Dillender

There once were three
teachers of P.E.
Their names being
Black, Smith, and
Wille.
Exercising galore,
all around the gym
floor,
Till we thought they'd
drive us silly!

P.E. Teachers

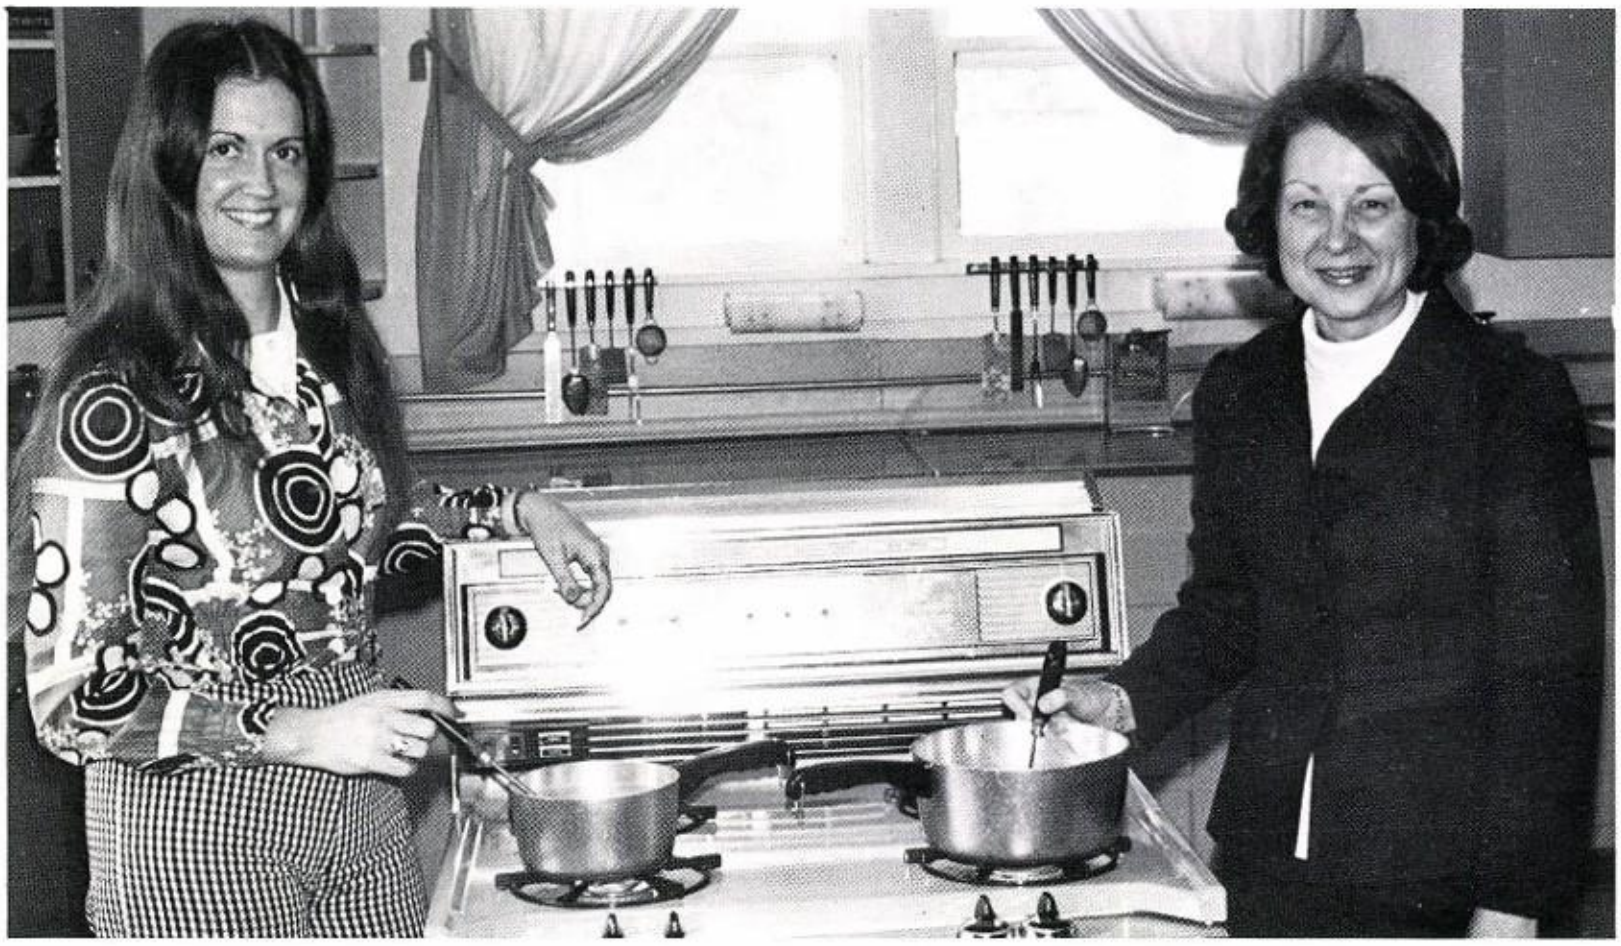
Clark Wille, Ceilia Smith, and Joe Black

Loads and loads of songs, day after day Gene Phillips in charge of the Chorus And the band is directed by Bob Gray

Music Teachers

Bob Gray and Gene Phillips

Home Economics



T.J. Robertson and Mary Anna Batts

Tie your hair back and wash your hands.
Rip this seam out and do it over again.
These are a few things that you might hear.
And if you make a nice dress you're full of good cheer,
But if you eat the food that tastes like its from last year
You'll probably shed a small little tear!

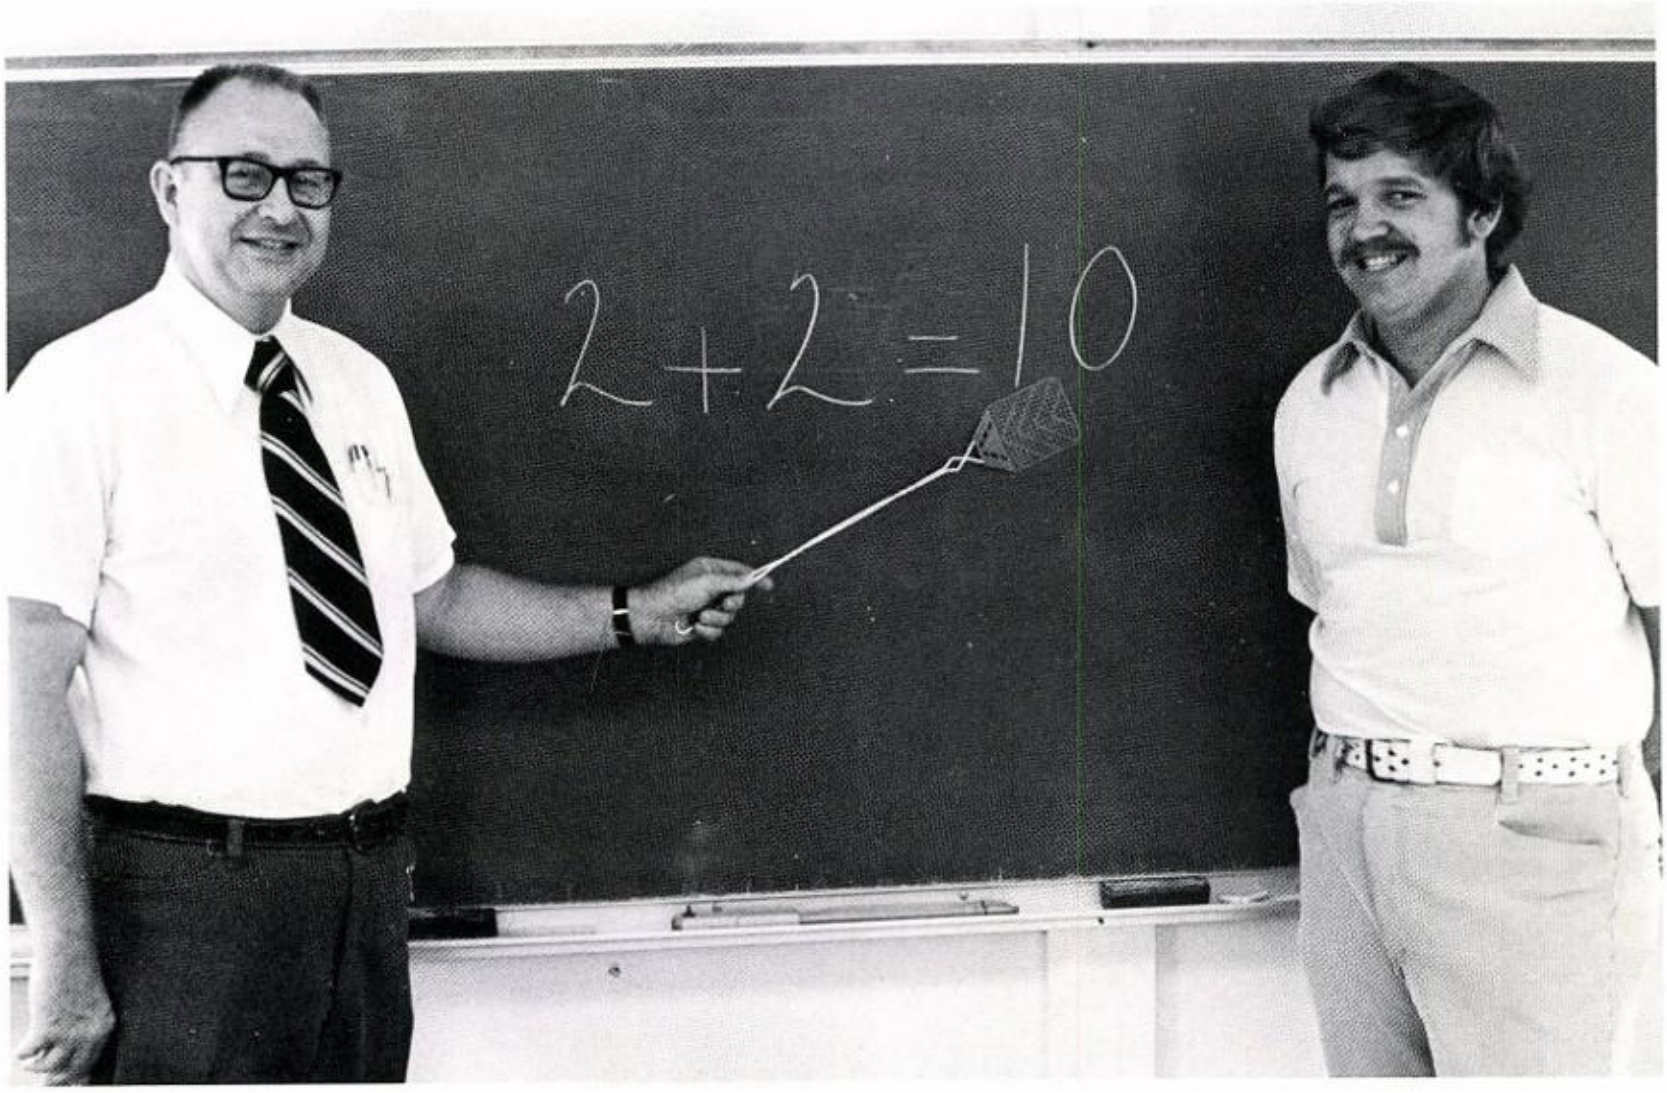
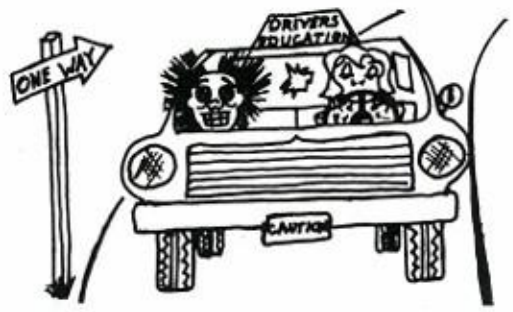
Math Teachers



Fred Eichholz and Ralph Eichholz

Whatever happened to good old-fashioned math
When you could add, subtract, multiply, and divide
And nothing seemed to obstruct your path.
Now there's x's and y's and obtuse triangles too,
You can work and work till you get yourself all in a stew,
But you know what,
Nobody could teach math as well as these two men do!



There's one thing to remember when
learning to drive,
Just listen to your teacher and your bound
to survive.
If you see someone walking around, just
shaking his head,
That's probably Lonny Franklin, our teacher
of Drivers Ed!

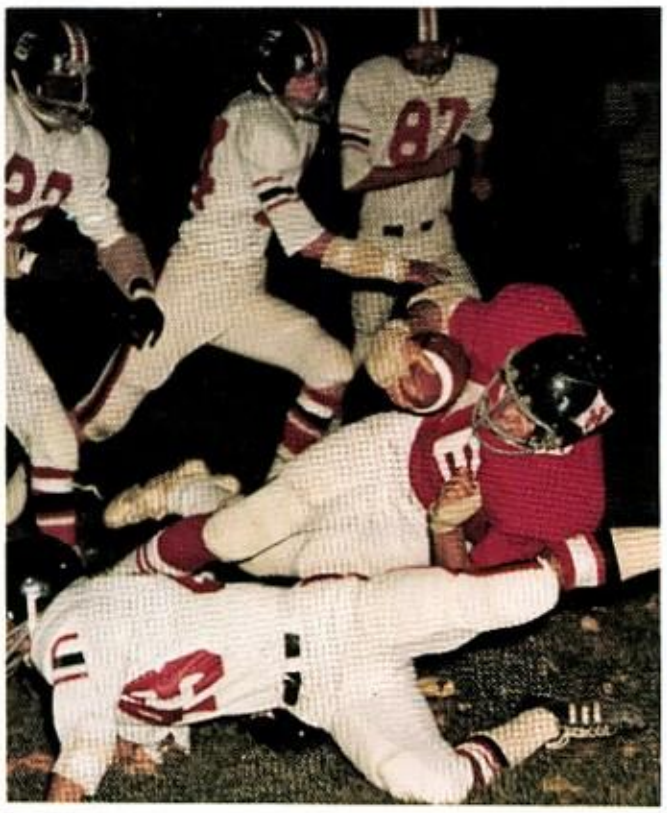
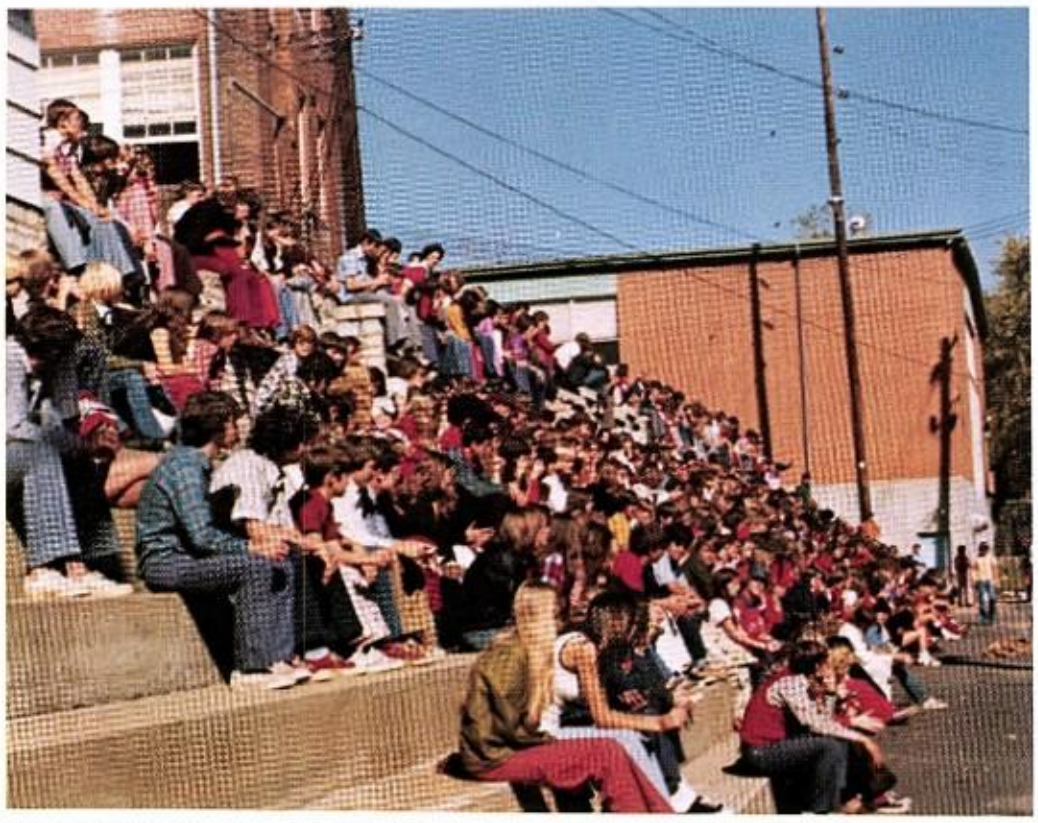
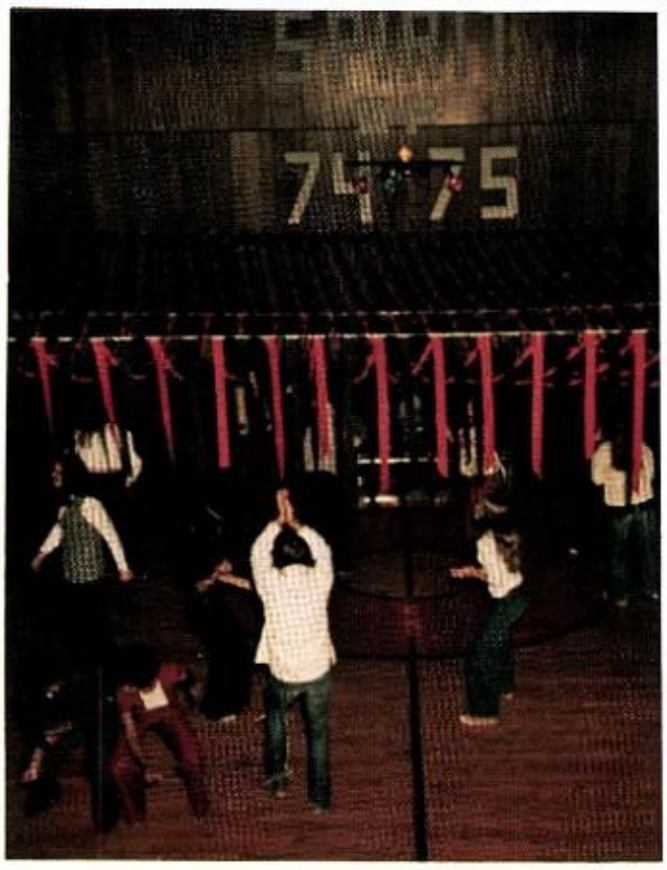
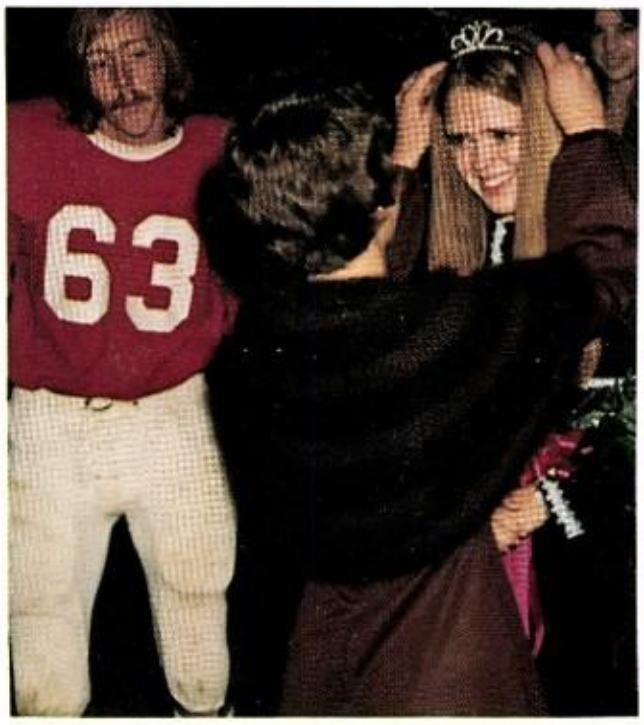
Activities Of

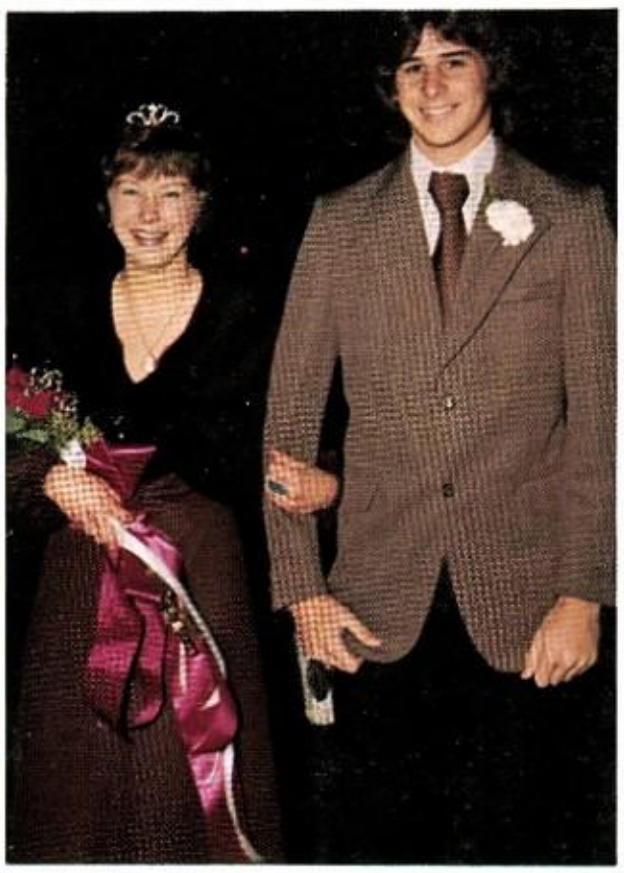


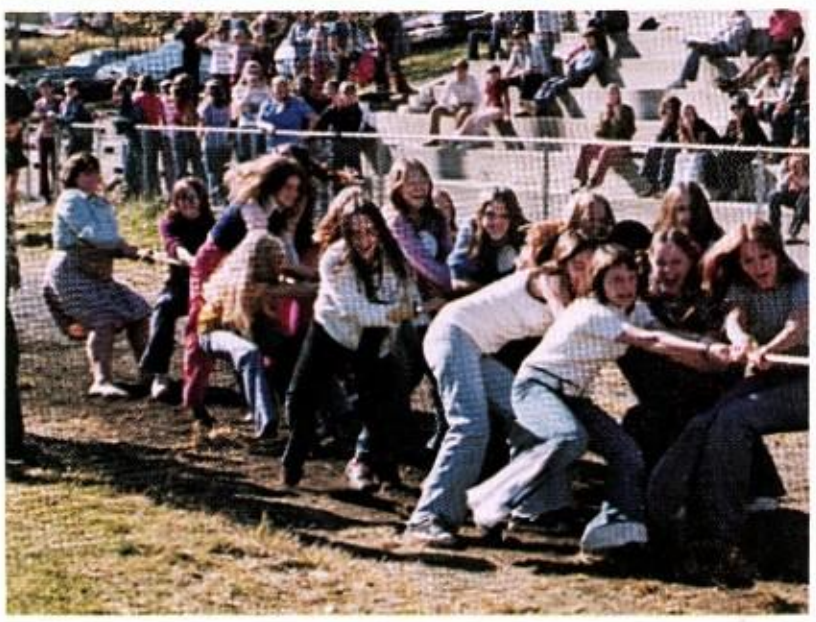


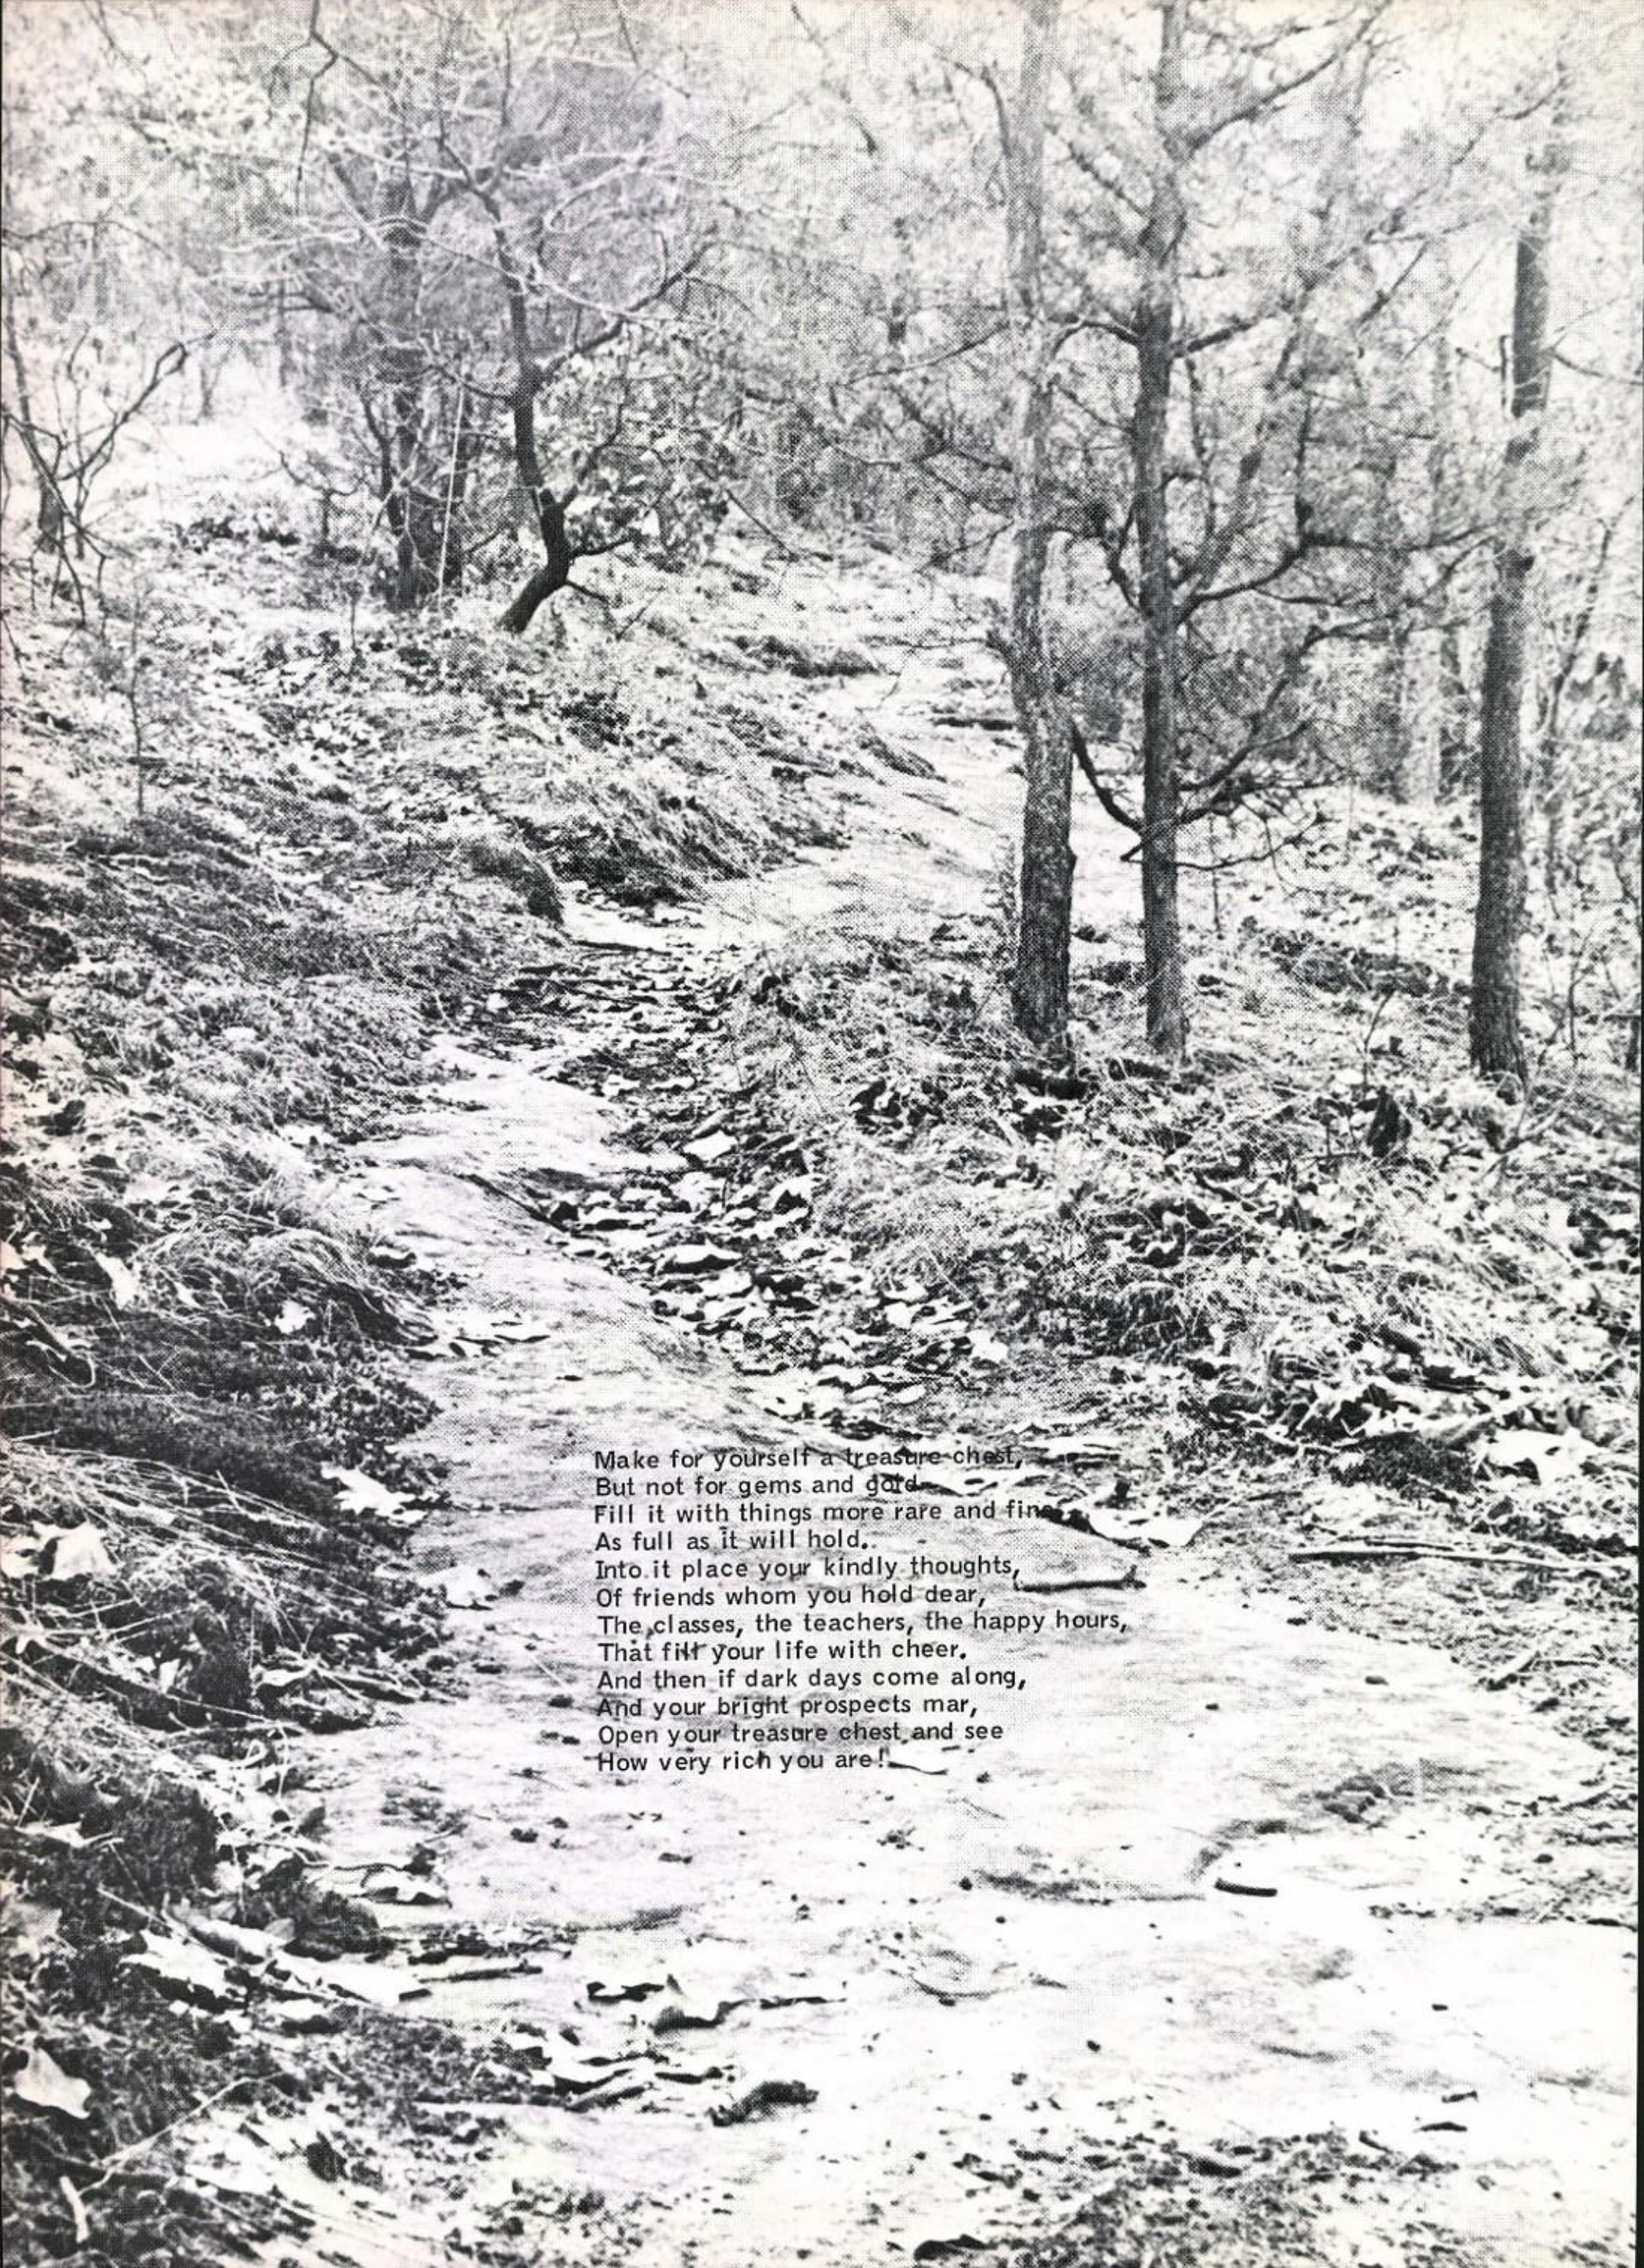




Homecoming '74-'75







Make for yourself a treasure chest,
But not for gems and gold.
Fill it with things more rare and fine,
As full as it will hold.
Into it place your kindly thoughts,
Of friends whom you hold dear,
The classes, the teachers, the happy hours,
That fill your life with cheer.
And then if dark days come along,
And your bright prospects mar,
Open your treasure chest and see
How very rich you are!

The Cross Country season was very successful and leadership came from the seniors: Larry Holman, Kenny Nickless and Terry Thomas.

Holman and Nickless were constantly finishing high in all the Invitationals, with the biggest performance in the District win of Holman.

Newcomers and Sophomores added to the team success. Ken Clark was a trophy winner in the St. Charles Invitational. John Collier, Brent Nickless, Tim Zimpher, and Junior Derrick Miller also show great promise for the future. What further? perhaps a trip in '76.

Blackcats Take 2nd In Hills. Tourney

After two wins over Northwest and Fox, the Blackcats were defeated by the DeSoto Dragons 63-62 in the finals of the Hillsboro Tournament.

Blackcats Are Number 1!

The Blackcats took first place in the Festus Tournament with two victories over Festus in the semi-finals and Crystal in the finals.

The Blackcats could manage only 2nd place in the Class 3A Regional Championship with an upsetting loss to the Festus Tigers.

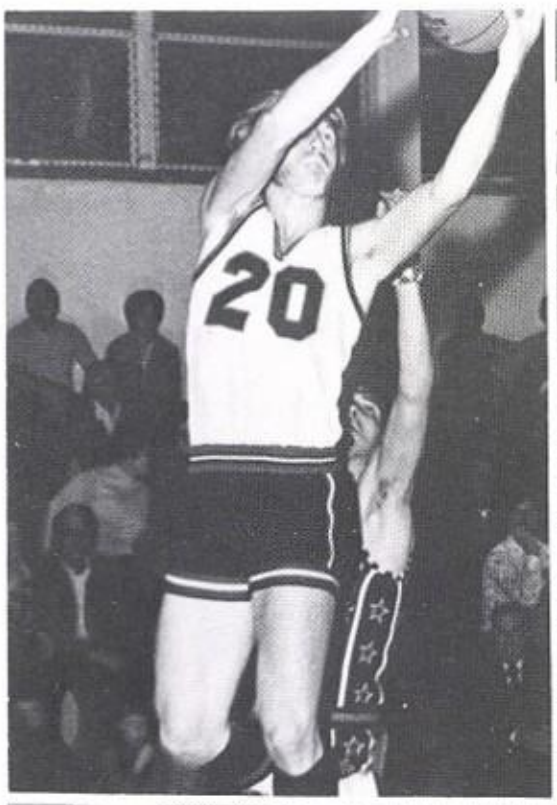
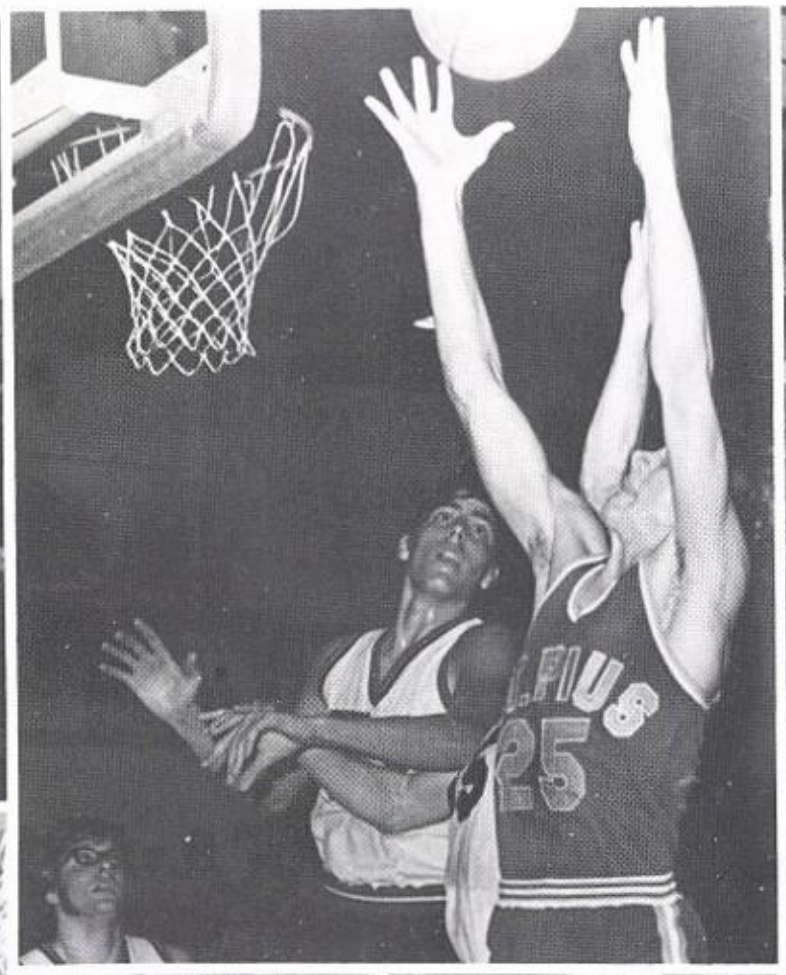
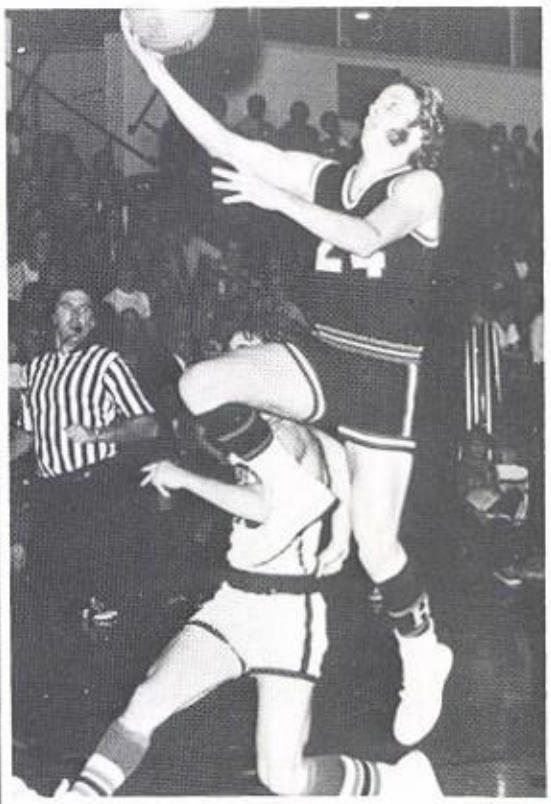
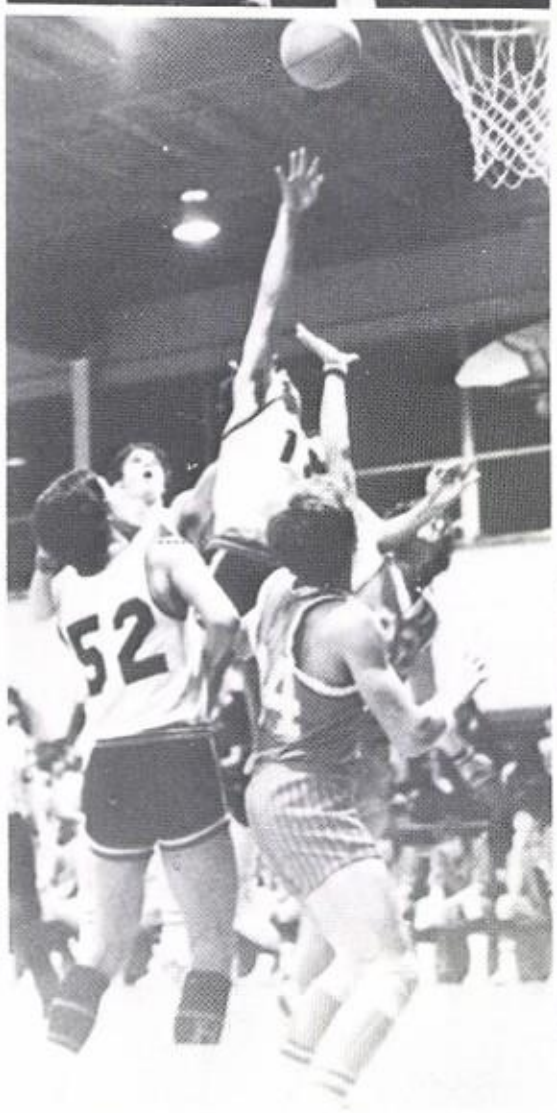
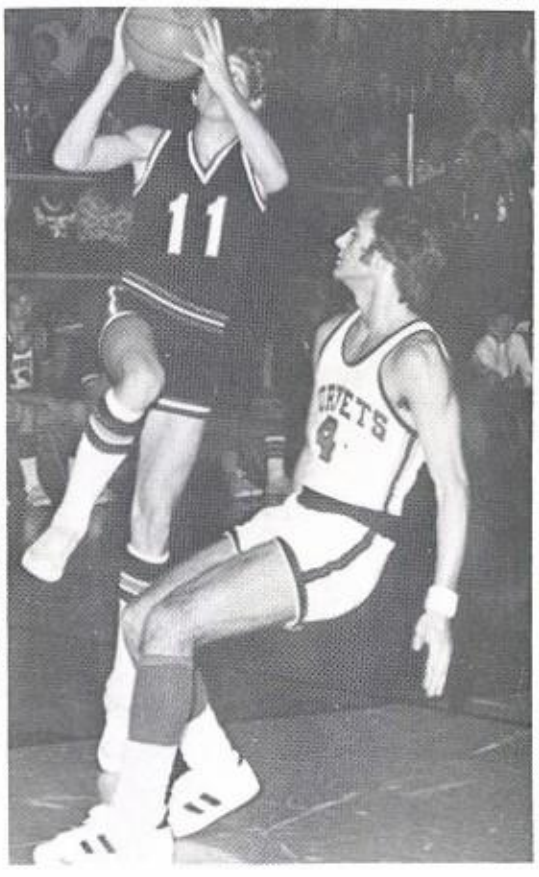
'74-'75 Roundballers In Action











Six dedicated seniors, seven talented juniors and the largest sophomore center to wear the red and black in recent years comprised the team that seems to have brought Blackcat Basketball out of the Ora Robinson gymnasium since the fateful day that Herculaneum's enrollment was reduced about 30% in the early 1970's.

The opening game of the season was a preview of future happenings during the 1974-75 season. An aggressive defense and balanced scoring paved the way for the opening game victory over Northwest 65 to 56.

Inspirational play continued throughout the Hillsboro tournament and brought a second place finish to the young Blackcats who were defeated by a mature and determined DeSoto team 63 to 62.

Close games filled with excitement were the theme of Herky's games in the 1974 portion of the season which enabled the Cats to close out 1974 with a 6-1 record and impressive Dec. 20 victory over Eureka 55-43.

1975 was welcomed in with an exciting double overtime victory over hopeless Leadwood 53-51. Even though the Cats escaped with the victory it was suddenly apparent that the '75 Cats were not as effective as the '74 version.

Herculaneum's first excursion to the Jefferson College Classic proved disastrous for the 1975 team as they lost the two games played there even though they were seated first among county entries.

January continued to prove frustrating as the once potent offense sputtered to an embarrassingly low 39 points in a loss to eventual state contender Clayton on the Greyhounds home court.

Conference hopes were dashed on January 24 when St. Pius came to visit the Blackcats and handed them a 63-61 loss on a last second desperation shot.

The loss to St. Pius followed the heartbreaking overtime set back to eventual conference champion Hillsboro 56-48.

Following the loss to St. Pius, Herky entered the Festus Tourney and destroyed the January jinx that plagued them all month. An opening round victory over host Festus and an impressive 70-64 win over powerful Crystal City enabled the Cats to capture first place in the annual affair.

The highlight of early February was a return game with Crystal City in which the Cats again prevailed with a 66-58 victory.

February 21 brought the long awaited rematch with DeSoto on the Dragons home court. Result: An easy double overtime win 72-65 which accomplished a second place conference finish for the Cat's, with a 6-2 record and set the stage for the up-coming regional tournament.

The "team" entered the tournament seated third behind DeSoto and twice victorious Hillsboro.

A 77-70 opening round victory over Perryville got the Cats loosened up for the semifinal match against the Hawk's. This game brought out the best in Jefferson County competitiveness and the Cats emerged with an impressive 83-74 victory in which six Blackcats scored in double figures and loomed as the obvious favorite over Festus, an upset winner over number one seated DeSoto in the semifinals.

Obvious! The only thing obvious about the finals of the regional tournament was that Festus would be making the trip to the state tournament and Herky would hang up their sneakers. A stunning 60-52 upset rang down the curtain on an exciting and successful season for the dedicated, talented, and impressive 1974-75 Blackcat Basketball Squad.

Camera Day

The Publication's Class, in their effort to create an exciting and interesting yearbook for the student body, held a Camera Day during Homecoming Season. An explanation for Camera Day are the words themselves, "Camera" "Day". The student body was asked to bring their cameras to school and take pictures of anything that they would like to see in their yearbook.

The Publication's Class picked out what they thought was the best picture submitted and rewarded a free yearbook to Michael Cochran for the picture he entered in the contest. A one-fourth page spread was made of that winning picture.

The Publication's Class wants to thank the student body for participating in the effort to make the 1974-75 yearbook a success.

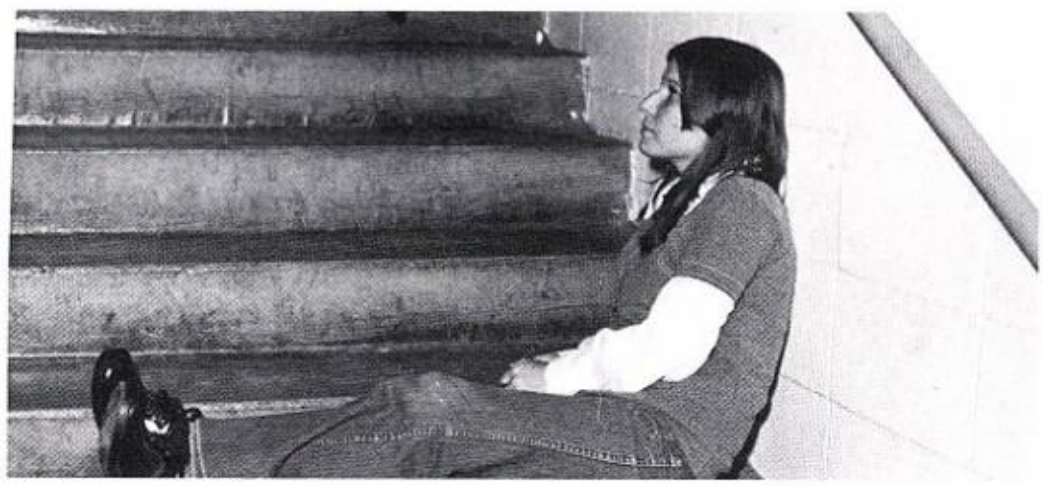
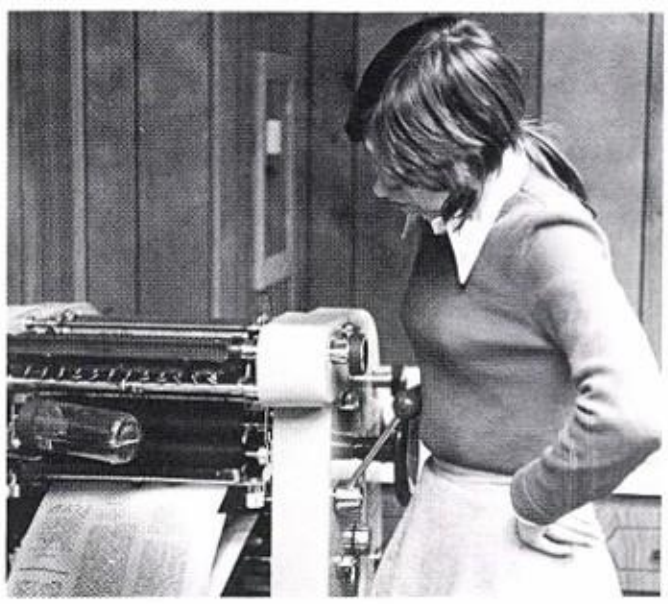
Yearbook Workshop



Taking a break, Kathy?

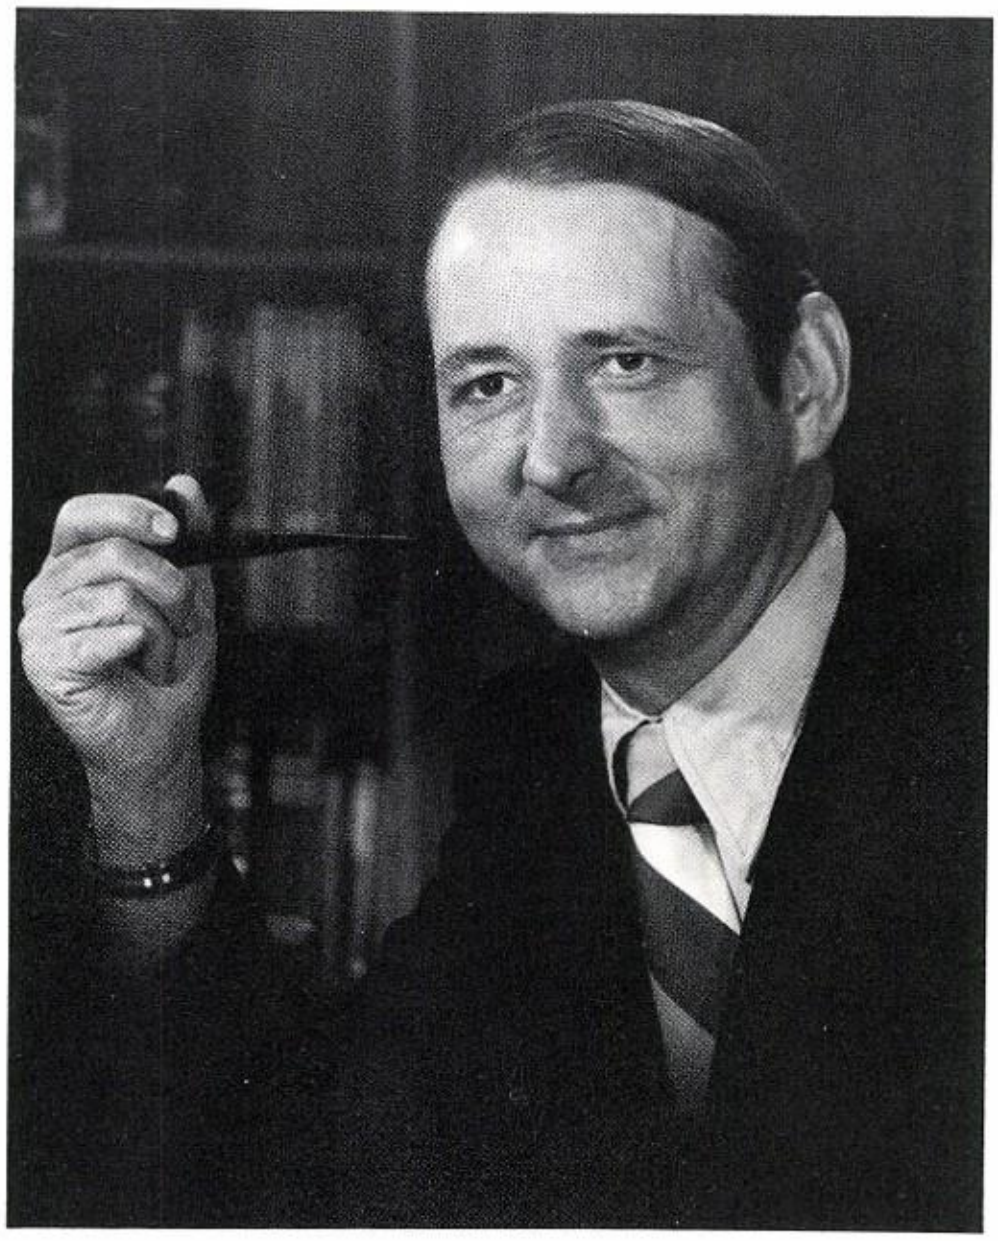
Where IS that photographer!?

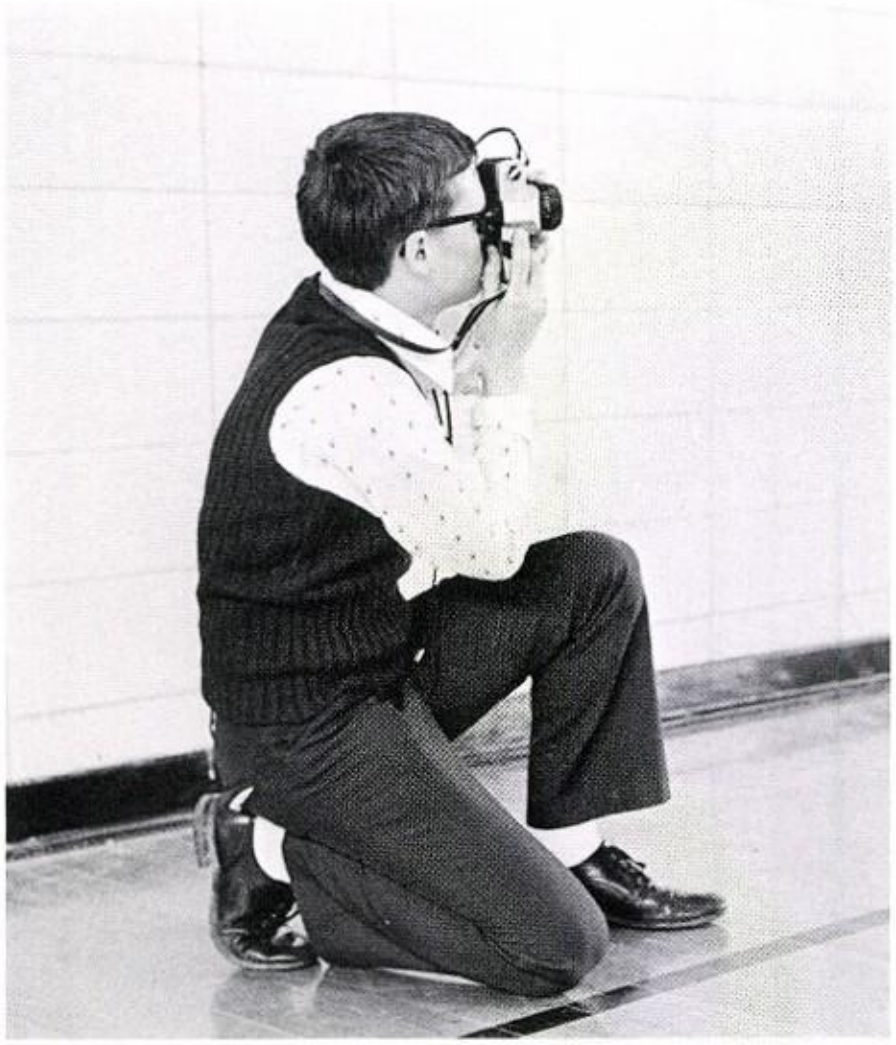


What's wrong with this_____machine now?

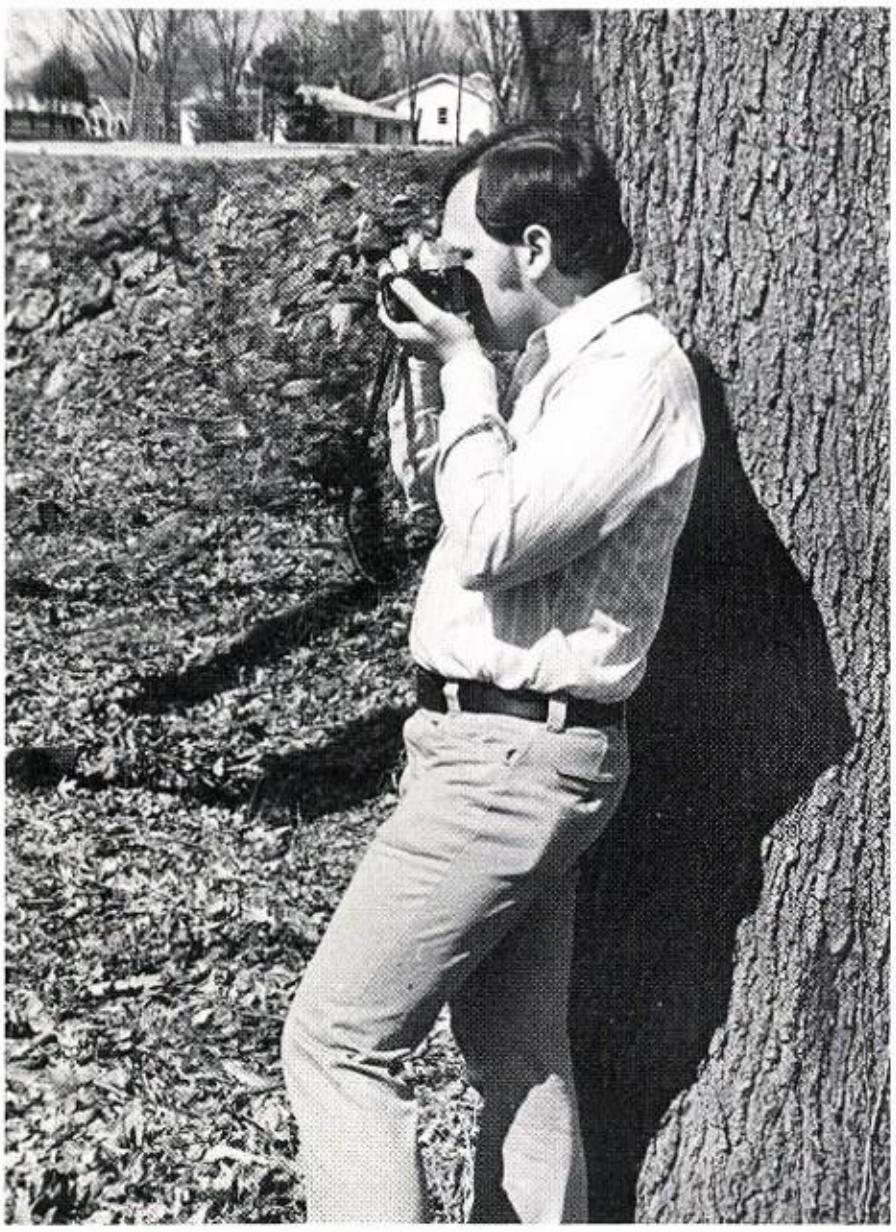
Learning the ropes.

The 1974-75 Publications Class would like to thank Mr. David Witte for all the time, material, and trouble he has gone through for us this year. He always came to take pictures whenever we needed him, he also was very helpful in setting up the pictures and he always stayed for a long as we needed him--which was as often after school hours.





Tom Dreiman was one photographer we couldn't have done without this year. He took many of our action shots in sports and came to school several days when we needed just a few pictures taken. His pictures were always good and we never had to wait long for them to arrive. Thank you very much, Tom, for the fine job you did for us.



The Publication's Class would like to thank Mr. Larry Wegmann for the contribution he has made in the preparation of the 1974-75 yearbook. He has shown the class how to use the new camera and also how to develop the pictures. Mr. Wegmann has also taken several pictures himself which we have used in the yearbook. Thanks once again, Mr. Wegmann.

The Publication's Class received a new camera this year and Mrs. Carol Franke also aided the class in teaching them how to use it. We would also like to thank Mrs. Franke.

THE WORLD NEEDS FRIENDLY FOLKS LIKE YOU

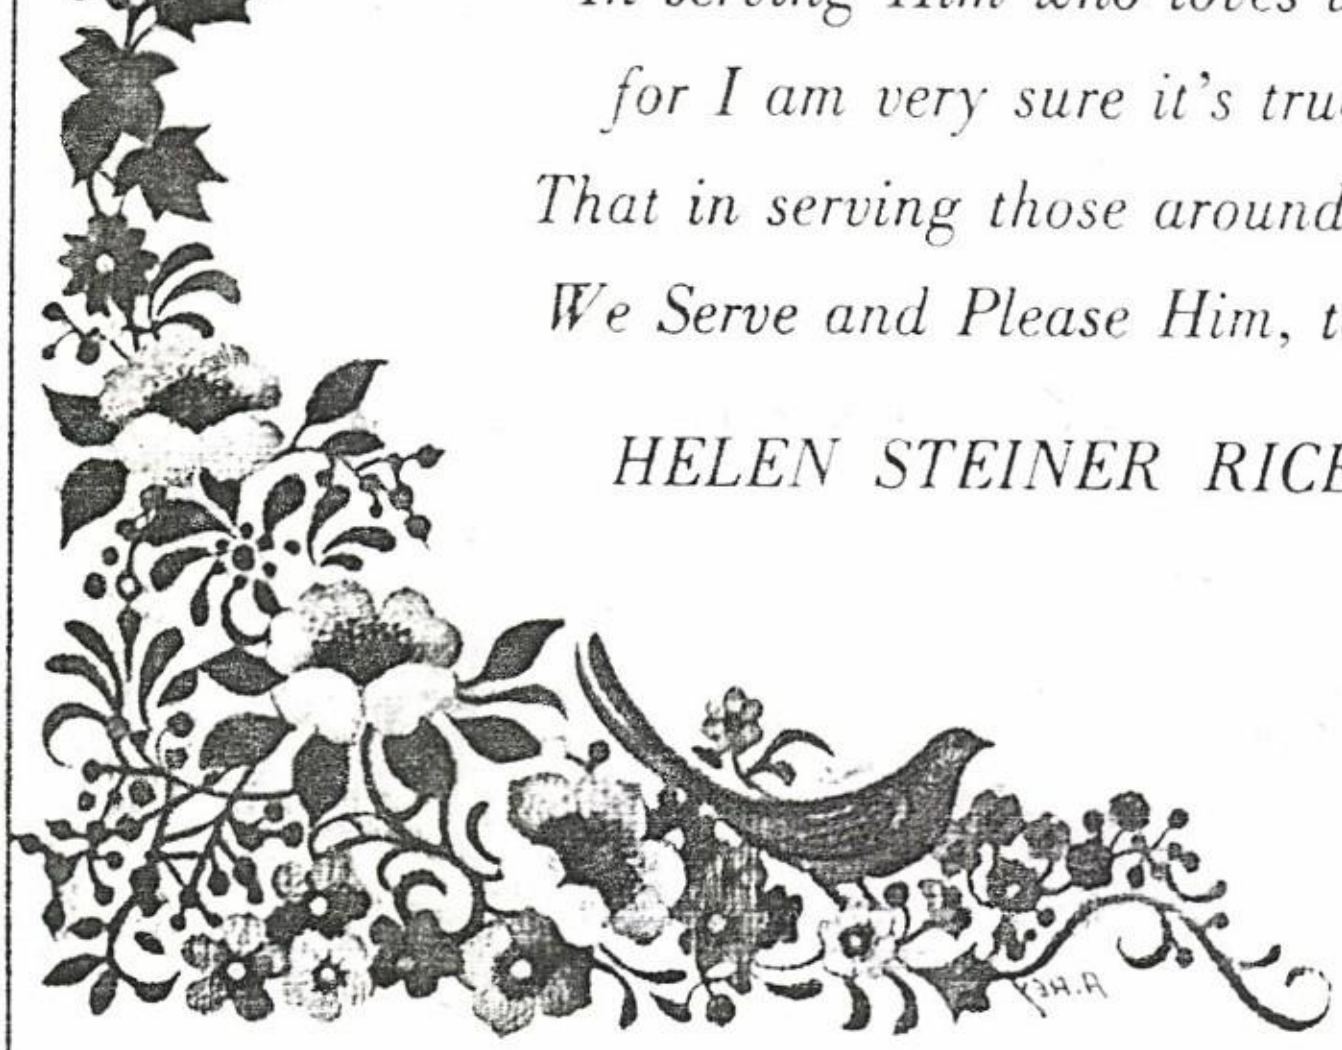
In this troubled world
it's refreshing to find
Someone who still has
the time to be kind,
Someone who still has
the faith to believe
That the more you give
the more you receive,
Someone who's ready
by thought, word or deed
To reach out a hand
in the hour of need.

HELEN STEINER RICE

IN HIS FOOTSTEPS

When Someone does a Kindness
it always seems to me
That's the way God up in heaven
would like us all to be...
For when we bring some pleasure
to another human heart,
We have followed in His Footsteps
and we've had a little part
In serving Him who loves us—
for I am very sure it's true
That in serving those around us
We Serve and Please Him, too.

HELEN STEINER RICE



A cheery smile
and a friendly face
Would make this world
a nicer place,
And if there were
more folks like you,
Life would be brighter
and happier, too.

Don't ever forget volley ball and all the fun we had in it, Band too. before you quit.

Nan,

I don't know where to start. I have so much to say. But here we are at last. Big Seniors. In a way I'm very glad, because sometimes I get so sick of school and some of the people in it that I want to die. But then again when I think about we only have 9 more months to be in this school, its kinda sad. But only because there's people like you to miss. Nan, you're one in a million! I love you, you have been my best friend. You've really helped me make it through this fruit school.

Thank Goodness It's Over!

I can't wait till our Senior trip. I'm glad were rooming together.

You've helped me with school, family, and whenever I had a problem with friends, you where there to listen to me and to ~~shuu~~ straighten me out. when I was really feeling down, you where there to bring me back up, I can't tell you how much I appreticate that. Thanks! This year we are missing something we had our other 3 years here. Jim and Dan. I miss Jim so much and I know you miss Dan, but they are a thing of the past, they may be back, but knows for sure but God. We have to look into the future, we can't stay home waiting for them forever, we need to go out with other guys, like Ron and Denny. They may help us get over Jim and Dan. Not that we're using them, cause I know you really like Ron and I like Denny. But we do need to quit thinking about them constantly. They're too much a part of our life to forget them, and I know we never will. But its our last year lets go out and have a blast! There's not much more room, but I have alot more I could say about you. I guess the main thing I want to say is, thanks so much for being my friend, and I hope that our friendship never ends, even when we're 100 and out there playing volleyball with our canes. Your funny, sweet, nice, beautiful, and lovable. So keep that HA smile on your face, take care, & be good, and I'm ~~so~~ sure you'll go far in life. Thanks for everything, all the talks & notes too. 11/7/11

Love Ya.
Sue

God Bless You Nan. B.M.A. L.B.J.

Nan - Do it possible to sum so many years & good times together? Especially the parties. I don't see how any of us can ever forget them! You've been a good friend Nan, and I hope we'll grow even closer in this, our senior year. You're a good person and I hope you'll always stay that way. Keep your head up, kid, even when times are bad & things aren't going your way. Like I told Sandy - you've got to believe in what you want.

"To accomplish great things -
One must not only act but dream,
One must not only plan but Believe!"

I know you'll get all you want from life if you'll just be patient (not exactly one of your virtues) and don't give up hope. I wish you much luck and success in all you do!

This is our last year! We're the Spirit '76!!! Let's raise hell together!!!
